

Notice for Collection of Electors' Information
2016 Legislative Council General Election – Geographical Constituencies

After submission of the nomination form, each candidate list may request the following two items of electors' information:-

- (1) a set of "Candidate Mailing Label System" DVD and its User Guide; and/or
- (2) a set of mailing labels of registered electors for the relevant Geographical Constituency on either a "household" or an "individual" basis (**excluding electors who have provided their e-mail addresses, except those in the custody of the Correctional Services Department**) (size of each label is 102mm (L) x 36mm (W)).

To avoid wastage of resources, candidates should carefully consider their publicity plan before requesting the above item(s). Upon confirmation of the item(s) requested, the candidate or the election agent is required to return the completed reply slip of "Notice for Collection of Electors' Information" together with the "Undertaking on the Use of Electors' Information" (see attachment) to the Registration and Electoral Office.

Upon receipt of the duly completed reply slip and undertaking, the requested item(s) will be available for collection in 5 working days at the Registration and Electoral Office, 12/F, Cornwall House, Taikoo Place, 979 King's Road, Quarry Bay, Hong Kong.

Environmentally-friendly Promotion

To protect the environment and reduce the consumption of paper and other resources, candidates are encouraged to send the election promotional materials to electors in the following ways as far as possible:

- Please carefully consider your publicity plan and the quantity of promotional mail before requesting the mailing labels. You may obtain mailing labels by selected District Council Constituency Area(s) (see Appendix) if you do not wish to have a full set;
- Please use mailing labels printed on a 'household' basis (i.e. each label will contain the names of electors (up to five) in the same household. This can save about one third of the mailing labels and the number of letters);
- Please use joint election mails for promotion (at least about half of the mailing labels and mails can be saved if you send out joint election mails for promotion with one or more lists of the same Geographical Constituency and/or one list of the District Council (Second Functional Constituency); and
- Please use the information in the "Candidate Mailing Label System" to send election advertisements to electors who have provided their e-mail addresses in lieu of hard copy. To prevent the e-mail containing the election advertisement from being mis-detected as spam e-mail and blocked by the system, candidates are advised to understand the relevant policies and preventive measures adopted by the relevant e-mail service providers before arranging the sending of election advertisements to their electors through e-mail in bulk. If necessary, candidates may consider applying to the e-mail service providers for raising the daily sending limit of their e-mail accounts.
