

2021 Election Committee Subsector Ordinary Elections
Notes on Submission of a Form for Submission of a
Text Version of Introduction to Candidates for
Voters and Authorized Representatives with Visual Impairment

In order to assist voters and authorized representatives with visual impairment in reading the contents of the Introduction to Candidates, the Registration and Electoral Office (“REO”) will produce a text version of Introduction to Candidates for uploading onto the dedicated election website of the 2021 Election Committee Subsector Ordinary Elections (<https://www.elections.gov.hk>). This version will contain only typed texts including the candidate number as shown on the ballot paper, name, age, occupation, political affiliation, email address / website of the candidate. For the electoral message, the contents must be the same as those of the original version of Introduction to Candidates. While the provision of the text version to the REO is optional, **candidates are strongly encouraged to do so to convey their electoral messages to voters and authorized representatives with visual impairment.**

How to Complete

Please type the text with the use of computer in the appropriate area provided in a “Form for Submission of a Text Version of Introduction to Candidates for Voters and Authorized Representatives with Visual Impairment” which can be downloaded via the following link or QR code. Handwritten text and graphics will not be accepted. For enquiries, please call the REO hotline at 2891 1001.
