

**DCCAs with Population Exceeding the Permissible Limits  
of the Population Quota  
(Provisional Recommendations)**

<b>District</b>	<b>DCCA exceeding permissible limits</b>	<b>Population and deviation percentage</b>	<b>Reason</b>
Southern	D17 Stanley & Shek O	24,216 (+40.18%)	Because of the need to preserve community identities and local ties
Kwun Tong	J22 Lai Kong	22,186 (+28.43%)	Because of the need to preserve community integrity
Yuen Long	M07 Shap Pat Heung North	25,801 (+49.35%)	Because of the large area covered by this DCCA and the need to preserve community identities and local ties
	M19 Tin Heng	23,987 (+38.85%)	Because of the need to preserve community integrity
	M24 Tsz Yau	22,457 (+30.00%)	Because of the need to preserve community integrity and local ties
	M27 Kam Tin	11,241 (-34.93%)	Because of the need to preserve integrity or homogeneity of the community
	M28 Pat Heung North	10,378 (-39.92%)	Because of the large area covered by this DCCA and the need to preserve community identities and local ties

<b>District</b>	<b>DCCA exceeding permissible limits</b>	<b>Population and deviation percentage</b>	<b>Reason</b>
Tai Po	P19 Sai Kung North	10,013 (-42.04%)	Because of the large area covered by this DCCA and the need to preserve community identities and local ties
Sai Kung	Q03 Sai Kung Islands	10,784 (-37.57%)	Because of the large area covered by this DCCA (over 70 islands), accessibility, and the need to preserve community identities and local ties
Sha Tin	R30 Heng On	21,764 (+25.99%)	Because of the need to maintain homogeneity and local ties of the community
Islands	T07 Peng Chau & Hei Ling Chau	8,187 (-52.62%)	Because of the large area covered by these DCCAs and the need to preserve community identities and local ties
	T08 Lamma & Po Toi	5,581 (-67.69%)	
	T09 Cheung Chau South	11,201 (-35.16%)	
	T10 Cheung Chau North	11,955 (-30.80%)	

***Total number of DCCAs exceeding the permissible limits of the population quota = 14***
