

Notice for Collection of Electors' Information
2018 Legislative Council Kowloon West Geographical Constituency By-election

Date of By-election: 25 November 2018

After submission of the nomination form, each candidate list may request the following two items of electors' information:

- (1) a set of "Candidate Mailing Label System" DVD and the relevant User Guide; and/or
- (2) a set of mailing labels of registered electors for the relevant Geographical Constituency on either a "household" or an "individual" basis (**excluding electors who have provided their e-mail addresses (except those in the custody of the Correctional Services Department), and those who have requested no election mail**) (size of each label is 102mm (L) x 36mm (W)).

To avoid wastage of resources, the candidate should carefully consider his/her publicity plan before requesting the above item(s). Upon confirmation of the item(s) requested, the candidate or the election agent is required to fax the completed reply slip of "Notice for Collection of Electors' Information" together with the "Undertaking on the Use of Electors' Information" (see attachment) to the Registration and Electoral Office.

Upon receipt of the duly completed reply slip and undertaking, the requested item(s) will be available for collection in 5 working days at the Registration and Electoral Office, 8/F, Millennium City 6, 392 Kwun Tong Road, Kwun Tong, Kowloon.

Environmentally-friendly Promotion

To protect the environment and reduce the consumption of paper and other resources, candidates are encouraged to send the election promotional materials to electors in the following ways as far as possible:

- Please carefully consider your publicity plan and the quantity of promotional mail before requesting the mailing labels. You may obtain mailing labels by selected District Council Constituency Area(s) (see Appendix) if you do not wish to have a full set;
- Please use mailing labels printed on a 'household' basis (i.e. each label will contain the names of electors (up to five) in the same household. This can save about one third of the mailing labels and the number of letters);
- When there are more than one elector's name on the mailing label on "household" basis, if any of them has/have moved out but yet to report the change of address to this Office, the candidate's election mail will only be delivered to the original address under this situation even though the elector(s) concerned may have used Hongkong Post's Mail Redirection Service.
- Please use the information in the "Candidate Mailing Label System" DVD to send electronic election mail to electors who have provided their e-mail addresses in lieu of hard copy;
- To respect the wish of the electors who provided their e-mail addresses to support environmental protection and the wish of the electors who requested no election mail, candidates should consider carefully if it is absolutely necessary to send hard copy of election mail to these electors; and
- To prevent the e-mail containing the election mail from being mis-detected as spam e-mail and blocked by the system, candidates are advised to understand the relevant policies and preventive measures adopted by the relevant e-mail service providers before arranging the sending of election mail to their electors through e-mail in bulk. If necessary, candidates may consider applying to the e-mail service providers for raising the daily sending limit of their e-mail accounts.
