

**Notice for Collection of Electors' Information**  
**2021 Legislative Council General Election – Geographical Constituencies**

Date of election: 19 December 2021

After submission of the nomination form, each candidate may request the following two items of electors' information:-

- (1) a set of "Candidate Mailing Label System" USB flash drives and its User Guide; and/or
- (2) a set of mailing labels of registered electors for the relevant Geographical Constituency (on either a "household" or an "individual" basis) (**excluding electors who have provided their email addresses (except those in the custody of the Correctional Services Department), and those who have requested not to receive election mail**) (size of each label is 102mm (L) x 36mm (W)).

To avoid wastage of resources, candidates should carefully consider their publicity plan before requesting the above item(s). Upon confirmation of the item(s) to be requested, the candidate or the election agent is required to return the completed reply slip of "Notice for Collection of Electors' Information" together with the "Undertaking on the Use of Electors' Information" by email (Email address: [cmls@reo.gov.hk](mailto:cmls@reo.gov.hk)) or facsimile transmission (Fax no.: 3586 3402) or by post (Address: Units 2008-12, 20/F, Paul Y. Centre, 51 Hung To Road, Kwun Tong, Kowloon) to the Registration and Electoral Office.

Upon receipt of the duly completed reply slip and undertaking, we will contact the candidate or his/her election agent by telephone within two working days to confirm receipt of the relevant documents. When the item(s) to be requested is/are available and the candidate has been decided as validly nominated, we will inform the candidate or his/her election agent by telephone to collect the item(s) at the Registration and Electoral Office on Units 2008-12, 20/F, Paul Y. Centre, 51 Hung To Road, Kwun Tong, Kowloon.

**Environmentally-friendly Promotion**

To protect the environment and reduce the consumption of paper and other resources, we encourage candidates to send the election promotional materials to electors in the following ways as far as possible:

- Please carefully consider your publicity plan and the quantity of promotional mail before requesting the mailing labels. You may obtain mailing labels by selecting the District Council Constituency Area(s) (see Appendix) if you do not wish to have a full set;
- Please use mailing labels printed on a 'household' basis (i.e. each label will contain the names of electors (up to five) in the same 'household'. This can save about one third of the mailing labels and the number of letters)<sup>1</sup>;
- Please use joint election mails for promotion (at least about half of the mailing labels and number of letters can be saved if you and another candidate of the same Geographical Constituency jointly send out one election mail to electors for promotion);
- Please use the information in the "Candidate Mailing Label System" to send electronic election mail to electors who have provided their email addresses in lieu of hard copy; and
- To respect the wish of the electors who have provided their email addresses to support environmental protection and the wish of the electors who have requested not to receive election mail, candidates should consider carefully if it is absolutely necessary to send hard copy of election mail to these electors.

**Points to note  
when using  
email to send  
election mail  
to electors**

- ❖ To prevent the email containing the election mail from being mis-detected as spam email and blocked by the email system, candidates are advised to understand the relevant policies and preventive measures adopted by the relevant email service providers before arranging the sending of election mail to their electors through email in bulk. If necessary, candidates may consider first applying to the email service providers for raising the daily sending limit of their email accounts.
- ❖ We encourage candidates to provide in the electronic election mail a means or option for electors to stop receiving further promotional email. After sending out your email, if you receive an elector's indication that he/she does not wish to receive further promotional email, please respect his/her wish to avoid causing nuisance.

Registration and Electoral Office  
October 2021

<sup>1</sup> When there are more than one elector's name on the mailing label on "household" basis, if some of them has/have moved out but yet to report the change of address to the Registration and Electoral Office, the candidate's election mail cannot be delivered to the elector(s) concerned.
